Professional Goal

I will support and encourage those with whom I work. I will promote a collaborative school culture that uses data to make informed decisions.

"The classroom looks and feels awesome. You have created a wonderful learning environment."

Michael Hallock
Retired Principal – Quartz Hill Elementary

Chris is active in taking every opportunity to learn from observations and experiences. He is not afraid to engage in conversations with different stakeholders on campus. Chris seems to be very focused on teaching/learning processes; including assessments and engagement strategies.

Mike De La Torre
Practicum Clinical Supervisor

"Words alone are not enough to say how much I've enjoyed working with you. You've been so easy going and kind, especially when I needed tech help..."

Peggy Harrison
*Retired 3rd Grade Teacher
 Gilbert Public Schools*
